Carole's words:

I found my life's passion and purpose in 1972 when I was introduced to the spiritual path through Unity. As my life unfolded practicing the universal principles taught by Charles Fillmore, I was inspired to spend the rest of my life learning and sharing with others. That led me into ministry which was my growing edge and also the most fulfilling work. Today I continue to follow my passion of learning and sharing. I feel truly blessed to have found the transforming spiritual principles that Unity teaches.
