## Convention Is Almost Here!

Our theme this year is *Just Imagine*, and we are! Have you visited the [Unity People's Convention webpages](#) for the latest information? Be sure to [register for convention](#), June 11-15, 2018, in Olathe, Kansas.

## Convention Tips

- **For transportation between the airport and the hotel**, you will need to get an Uber, taxi, or rent a car. We did not line up a shuttle service this year due to the cost.
- **Remember to wear your name tag all week.** It is your pass into inspirational and educational seminars and to attend the three meal functions that are part of your *full convention registration*. It also allows you to get a ballot for elections at the business meeting on Wednesday morning.
- **Meals are not included in the daily-registration rates.**
- **Non-minister delegates representing ministries:** Make sure you have read the [delegate information on the business meeting webpage](#). You need to have the proper documentation before you will be given a ballot.
- [Check out the Monday schedule](#) so you can plan your day at Unity Village.
- Are you a night owl? Attend the Tuesday night, June 12, dance and dessert. And the banquet and dance on Thursday, June 14.
- The Health & Wholeness Ministry Team will be offering several types of energy and body work throughout the week in the Serenity Room. If you are a morning person, join the mediation in the Terrace Bar or enjoy yoga on the front lawn.

So *Just Imagine* this convention as the best one ever!
