Rev. David McArthur left the practice of law to become an ordained Unity minister and has led dynamic Unity churches for more than thirty-five years. In addition to roles as the senior minister in Unity churches in Montana, Washington, and California, he has served as a member and Chair of the Board of Trustees of Unity Worldwide Ministries. He has been honored with Unity's Youth Services Award and as a Hero of Forgiveness by the Worldwide Forgiveness Alliance. David also spent seven years as a director and trainer at the world-renowned HeartMath Institute.

His years working with HeartMath's discoveries on the role of the heart in human transformation have given him the opportunity to teach clergy from many religions and denominations. Rev. David has trained Unity's Silent Unity prayer ministry, its ministerial students, hundreds of Unity ministers, and many churches in the heart's transformative power. He has been a keynote speaker at Unity conventions and conferences as well as being featured in *Unity Magazine*.

David is the bestselling author of three books, *The Intelligent Heart*, *Your Spiritual Heart*, and *The Monk's Choice*. He currently continues to present his workshops, keynotes, and services throughout the country.
