Do you need some extra cash to take care of a financial situation? Perhaps your retirement savings can help.

- Did you know that you can borrow **up to \$50,000** from your retirement account?
- Did you know that you can have two loans with an aggregate value up to \$50,000?
- Did you know that the interest rate for this is **2% above prime**? The current rate is 6.5%.
- Did you know that the fees to you are a **one-time \$50** loan origination fee and a **\$6.25** loan maintenance fee, paid quarterly?
- Did you know that the **repayment (minus the fees mentioned above) goes directly back to your account?**
