

Greetings All,

These are challenging times as we all know. Never before have we experienced something that has had such a transformational impact on our ministries and the way we conduct ministry in general.

The board has prayed and sat with the issues and concerns many churches have had to face as a result of the pandemic. One thing we know for sure is that our principles, and commitment to Truth will see us through. It always has.

While we honor everyone's right to choose what is best for themselves and their health, we also recognize, as Unity leaders, our moral and spiritual responsibility to keep everyone safe who is a part of our communities.

With that in mind, we support our Unity ministries and leaders to make decisions that are in the highest and best interest for their respective communities, while continuing to follow the guidelines and protocols suggested by your local health department and the Centers for Disease Control.

We understand that there is no perfect way to navigate our present state of affairs and that each of us will follow the guidance that allows us to be integral and in accordance with Unity principles, as we understand them. In the spirit of Unity, we know that we can find a way to continue to be inclusive, transformational, and safe.

Please know that as we all venture into this new expression, Unity Worldwide Ministries remains committed to supporting and holding each of you in the Light of Truth and in our hearts. Let us travel together in Unity!
