**Opportunities to Share Your Wisdom!** UWM is seeking seasoned ministers who would like to share their experience, talents, and wisdom with candidates on the ministerial ordination path. At this time candidates in all four pathways (Special Dispensation, UWSI (Unity Worldwide Spiritual Institute), UUMS (Unity Urban Ministerial School), and Field Ministerial Path) are in need of someone like you to walk with them on their path to becoming ordained.

The right mentor will have at least three years of ministerial experience, be willing to complete mentor training, be available to spend an hour on a monthly call with their mentee, and complete the mentor reports due periodically. If you are ready for a rewarding experience as a mentor, please email [evolve@unity.org](mailto:evolve@unity.org) to receive a mentor application.
