Unity Worldwide Ministries – USA

Board of Trustees,

There comes a time in the world when we all have to come together as one, so goes the song, "We are the World". The devastating impact of the Covid-19 pandemic both on lives and livelihoods has made it imperative for us in Unity to come together as one.

Like many Unity Churches all over the world our church, Unity Centre of Love and Light had to close its doors when the lockdown was imposed in our country from the 15th March 2020.

At the time the lockdown was imposed, we were in the middle of building our new Unity Chapel, the first Unity church in South Africa.

All the building activities had to be stopped and funds begin to dry out due to the fact that there were no longer any Sunday love offerings, and some people in our church were retrenched or on salary cuts due to no work.

Prayerfully we envisioned ourselves reopening our doors in November as the lockdown restrictions were being eased.

In faith we applied to the Loaves and Fishes Fund which was announced in the Path Unity online newsletter.

Our prayers to reopen our church in November has been answered through the approval of our Loaves and Fishes application by the board.

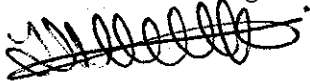

On behalf of Unity Centre of Love and Light, I would like to extend our gratitude and appreciation for the UWM –Board for granting our ministry a lifeline through The Loaves and Fishes Fund.

We are ready to resume church services on 1st November, while observing social distancing and wearing masks.

Thank you all so much.

Abundant Blessings.

Rev. Thandi Nhlengetwa
