## **Dear future sponsor this is my Unity story:**

It was in the year 1992, I was playing football with friends on a Sunday morning in front of my father's house when a neighbor, who was going to church, saw us, and asked us to go get ready and follow him to church. I did not say no to his kind invitation. I quickly rushed in, took my bath and followed him to attend Sunday service. It turned out to be a Unity Church.

Ever since I became a Unity student, application of Unity principles and teachings in my life have gradually been transforming.

I now see things from an ennobling and positive perspective, while being grateful to God for everything. This way of life has enhanced my relationship with the people I relate with, people in my everyday life. Harmonious relationship with people has fostered for me inner peace and has always made me to appreciate my uniqueness and that of others in my world.

Due to the blessing Unity has been in my life, the quest to know more about Unity, my chosen path, has become uppermost in my mind. I had long resolved to be a credentialed Unity Minister. This has been my uppermost heart desire, hence, the need and wish to be trained as a credentialed Unity Leader and by extension, become a full minister. This will enable me to spread Unity positive message to the world.

Sincerely,

Daniel Ndukwe Kalu
