- The Fillmores
The First Pillar is our commitment to stay in touch with the teachings of our founders, their contemporaries, and to keep them a part of everything we do. Not that we travel backwards to meet them, but that we bring them forward to meet us where we are today, and where we are going tomorrow.
The 1st Pillar
The Fillmores

• 5 Basic Unity Principles
• 32 Statements of Faith (Original)
• 12 Powers
• Spiritual Healing
• Bible Metaphysics
• Classic Unity Talks & Writings
• Unity History
• Common Language
The 2nd Pillar
Integral Ministry

The Second Pillar is a recognition that individual and collective consciousness goes through various stages of unfoldment. When it comes to facilitating unfoldment, "one size does not fit all" and it helps to have a structured, holistic, mission centered approach that meets the needs of these various stages and looks at ministry as a whole living system.
The 2nd Pillar
Integral Ministry

- Wake Up, Grow Up, Clean Up, Show Up
- Mission-Centric Ministry
- Shadow Work
- Small Group Ministry
- “Three Faces of God”
- Clear Systems and Infrastructure
- Roles and Accountabilities
The 3rd Pillar
Experiential

The Third Pillar addresses our propensity in Unity to get a little "heady," or overly fixated on the intellectual aspects of our teachings, and reminds us to create opportunities to experience, feel, and demonstrate the Truth within the teachings. We work to include the whole body in the growth experience, with the intellect, embracing the mystical side of Unity and shifting the balance from “I/Me” to “We.”
The 3rd Pillar
Experiential

- Embodied Spirituality
- Prayer, Meditation, & Spiritual Practice
- Authentic Community
- Small Group Ministry
- Metaphysical & Mystical
- We Space
The Fourth Pillar reinforces our ongoing commitment to Inclusivity, Diversity, Equity and Accessibility, as part of our vision to create a world that works for all people, all creatures, all of creation.
The 4th Pillar

I.D.E.A.

- **Inclusivity** = Holding space, where all feel welcome and heard
- **Diversity** = Encouraging, honoring, desiring differences
- **Equity** = Supporting justice and fairness, so all can thrive
- **Accessibility** = Creating pathways to equity

- Meeting people where they are, facilitating their next step
- Systems and infrastructure for implementation
- Interfaith, recognizing many paths to the one
- Engaged spiritual/social activism
The Fifth Pillar embraces more than just "forward thinking," it recognizes that we are a part of a greater unfoldment that calls us to embrace change and think, live, evolve, and experience life in different ways, allowing innovation and unexpected blessings to naturally unfold.
