Ministry Employment Readiness Policy

1.0 Purpose
The purpose of this policy is to support ministries to have a successful relationship with their next minister if they have been without a minister for more than two years, have a history of abbreviated tenures with a minister, or lost their last minister due to challenging circumstances. Ministry Employment Readiness will include and explore the reasons for the minister’s departure, the activities pursued since the minister’s absence, and the ministry’s current situation.

2.0 Scope
An employment readiness process is required of any Unity ministry who:
   2.1 Is without a minister for a period exceeding two (2) years.
   2.2 Has had two (2) ministers depart within a five (5) year period.
   2.3 Has released or lost their minister due to challenging circumstances, such as a death, a period of conflict, a forced resignation, or a termination.

3.0 Policy
   3.1 Any ministry entering the Employment Process must meet all current requirements of their bylaws, to include making contact with UWM Member Services.
   3.2 The Ministry Employment Readiness Case Team will assess the physical, emotional, and professional preparedness of the ministry for hiring a minister and may offer suggestions and guidance that would support the ministry in having a successful experience with their next minister.
   3.3 The Ministry Employment Readiness Case Team may create a Required Plan of Action for the ministry to complete prior to entering the employment process.
