Dearest Celia, Board, and Committee members,

On behalf of Unity of Massillon, we extend our deepest gratitude to you all for the (second) generous Loaves and Fishes grant. This gracious gift has helped us get back on track with our operating expenses, which have been greatly impacted due to the pandemic.

This is not the first time UWM has extended a helping hand to our Unity community! The HUG loan we received in 2020 enabled us to make much-needed repairs and remodel our lower level, both beautifying and bringing our facility up to code. We hope to expand our group rentals (we currently have two 12-Step groups meeting at our facility) according to CDC and state rules/recommendations during these uncertain times.

We received our first Loaves and Fishes grant in 2020, which was a major shot in the arm for our deficit in operational funds. We BLESS all the loving souls who have donated to UWM and made these funds available to Unity communities like ours; may the reciprocity come back to them 100-fold!

From the bottom of our hearts, thank you, and bless you all.

Many Blessings,

Unity of Massillon, Board of Trustees
