#### Course Description

Each generation of Unity ministers has built upon and applied the teachings of Unity's founders, to make their language and applications more contemporary. This course looks critically at the life and work of selected writers who have been central to the development of the Unity movement. Students have an opportunity to explore untapped resources in the online Unity Archives and to apply these principles to current issues and concerns. Prerequisite: HTS 500 - Introduction to Theology: A Metaphysical Perspective.

#### Course Learning Objectives

Upon completion of this course, learners will:

- explain the way Unity principles have been defined and expressed by key Unity authors
- compare Charles Fillmore's Statement of Faith and the Five Basic Principles of Unity
- apply the authors' views of Unity principles to current issues and their personal and professional lives
