Course Description

The fourth phase in metaphysical study is continuing investigation and advanced application of the Truth students have learned in the previous metaphysical courses. This course summarizes and organizes metaphysical teachings to facilitate ever increasing demonstration of Truth. Through the consistent application of practical Truth principles, students will continuously transform their lives and realize more of their spiritual nature and potential.

Required Prerequisite: HTS 105 Metaphysics 1

Recommended Prerequisites: HTS 110 Metaphysics 2 & HTS Metaphysics 3

Course Learning Objectives

Upon completion of this course learners will be able to:

- Survey the blocks and keys to demonstration and determine which ones are affecting their experience of demonstration.
- Create and implement a metaphysical demonstration plan.
- Explain the metaphysical basis of Wholeness and Health and deduce the relevance to the keys to demonstrating life, wholeness and health.
- Explain the metaphysical basis of Prosperity and deduce the relevance to the keys to demonstrating prosperity.
